
The Connect NC bond secures $2 billion for our state with no tax increase, supporting public universities and community colleges, agriculture, water quality, state parks and the National Guard. The first investment of its kind in 15 years, the bond will ensure that our state — and NC State — stay strong now and into the future.

The Connect NC bond includes $160 million for major NC State projects:

**Engineering Oval**
Advances research excellence and creates a high-tech workforce for our state.

**Plant Sciences Initiative**
Advances North Carolina's No. 1 industry and helps guarantee a sustainable food supply.
